

**PEERS EEB 97X**

***Plotting Your Course***

**Due in class: December 4, 2014**

Name:

UID:

Major:

GPA:

What quarter and year will you graduate?

In **20 words or less**, explain your career goal. If you aren't positive on your career goal, pick one that you are considering:

What postgraduate education do you need to achieve this goal? How long does that program take (in years)?

What test(s) will you need to take in order to apply?

When do you need to take this test?

When is your application due (assuming you want to start professional/ grad school right after you graduate)?

What GPA will you need to be competitive? How will you make your GPA more competitive?

What research/professional experiences do you need on your CV to be a competitive candidate for the postgraduate program to which you are applying? Explain your plan to achieve those experiences.

What extracurricular or leadership activities will you need to be a competitive candidate for the postgraduate program to which you are applying? Explain your plan to achieve those activities.

How many letters of recommendation do you need? Who will be your letter writers?

Why do you think this is the right career for you?
